Baggage drop-off

2 hours before departure

If you have any check-in baggage please take it to the baggage drop-off point.

1. Please make 2 prints of your boarding pass. One will be used by the airport authorities and the second is your actual boarding pass.
2. * Check in your baggage at least 120 minutes before departure of intercontinental flights and at least 90 minutes before European flights.
3. The check-in desk and baggage drop-off point open at 05:00 hours (AM).
4. Large bags that do meet the hand luggage requirements may still need to be checked in at the gate, due to limited space in overhead bins. Stow small bags underneath the seat.
5. We strongly recommend to review your personal luggage allowance in "My Trip" for KLM flights. Please check the websites of other airlines in your itinerary for their (hand) baggage policy.

Gate closes 15 min before departure

Check the gate closing time

Please note that after the gate closing time you can no longer board the aircraft. Any check-in baggage will be offloaded.
